

HEWITT'S FARM MARKET - Product List 2020

Hi everyone. Here is a list of most of our products and their prices.

Where it says variable its because there are multiple price possibilities associated with that product. If there is something that you don't see here on this list please feel free to ask when you call to place your order and we will be happy help you.

We will do our best to fill all orders the best we can as inventory allows

Some prices are subject to change if needed, however we hope to keep them as close to where they are now as possible.

Just a quick reminder on how to place an order.

Simply call 705-325-3000 and place your order.

Please have your list ready and your credit card available to help speed up the ordering process

So we can help as many people as possible. If you can not get through please leave a message and we will return your call as soon as we can

Once we have your order:

We will then build your order, charge your card and then give you a call to let you know your order is ready.

We will also give you a different number to call when you arrive.

Once you arrive in the parking lot simply call us again on that new number and we will bring your order right out to your car. (If you have your trunk open we will set it right in for you)

Thanks and happy shopping.
